Standard size

Standard Features:

- Machine washable - no need to empty cells!
- Ischial well - Two compartments for superior offloading of the IT-coccyx area & extra positioning possibilities
- Trochanter support: firmer density to provide lateral stability and to redistribute pressure to help create an ischial well
- Front compartments provide leg alignment and stability. Easily adjustable for individual positioning needs.
- Mid height zip closure for easy adjustment when client is seated, and to increase cushion immersion. (Boxing Effect)
- Choice of 6 or 10cm heights
